

**■ STEVEN GERRARD'S
girlfriend Alex**

Curran, *below*, took time off from shopping last week to join the local glitterati at the Downtown Liverpool in Business Oscars.

The sparkling event was held amid the greenery of the beautifully-restored Palm House in Liverpool's Sefton Park.

A number of deserving gongs were meted out on the night and special congratulations goes to No Name Kitchens, who had the double honour of both winning an award and being one of the main sponsors.
